Milestone Hardware Partner Verification
Confirmation of Compatibility

Partner: Blu5 View

Partner Product Name: SElink

Milestone XProtect® Product: XProtect Essential+ 2024 R1

Date of Verification: 2024-11-08

Summary of Verification

The product is verified by Milestone Engineers, PARTNER provided Milestone with the following for the verification process:

- Product specification sheet.
- Technical description of the test environment used for the verification tests, including a drawing.

Conclusion

Milestone confirms to have reviewed the verification documentation and on the date of such review, and to the best of our knowledge, the Product is compatible with the Milestone XProtect version applied in the testing environment. For information on the testing environment and the verification documentation please contact our Partner.

About Milestone Hardware Verification

Milestone Hardware Verification is intended to verify the compatibility of the partner's hardware with a current version of the Milestone XProtect® video management software (VMS).

Milestone provides guidance, tools and outlined methods for the verification. The verification setup, configuration, testing and operations are conducted by the partner, and the test results is verified by Milestone based on submitted documentation.

Milestone does not warrant our partners' products nor functionalities. Milestone does not verify product compatibility for installations not comparable with the testing environment.
